Where caring matters

MAY NEWSLETTER

Hello To All Families and Friends!

Another Newsletter and an opportunity for us to share what we have been 'up to'. There is never a dull moment!

We are using the garden not only for our gardening mornings, but also for a walk and a 'potter'. It's good for the mind. We have had a beautiful bench donated to us from a very special lady who lived here for a number of years. Thank you so much to *Cynthia* and family!

We have run an array of activities ranging from Egyptian life using props and masks. The session which everyone seems to love is getting creative with flowers, making flower crowns, sculpture, it's been great fun!

Our volunteers are here nearly everyday and they help and support so much. Thank you *Geraldine* and *Derek*.

Activity and Wellbeing is often led by what individual's want. And yes, here, 'We Want Work' many people living here want a 'role', 'a job'.

Where caring matters

So yes, we have been busy. We have knitted, sewed, folded and paired, we have been like a factory production line, and this is giving us great ideas.

We wonder would anyone have an old typewriter, or telephone. We want to set up an office space. We would so appreciate your help.

Hot off the press news

- We have a pamper day Tuesday 10th of May. Our hairdresser, podiatrist, and beauty ladies are all ready.
- *Geoff* and *Pete*, our guitar duo are here this Friday, 6th of May at 1:30pm. Yeahhh!
- Lastly, we have a **Family Meeting** all invited, on 14th of June at 4pm in the conservatory. Please come along! Let our Admin (Hardeep) know if you'll be able to make it. See you!

We wanted to greet our lovely couple, Michael and Vera, a Happy Wedding Anniversary!!! ❤️
