Where caring matters

JUNE NEWSLETTER

Hello To All Families and Friends!

Welcome again and we hope you like our monthly newsletter as it is our way of keeping you up to date and informed about your loved ones, family members and those living here at Meadowcare.

June has been busy of course, we are using the outdoors to extend activities, picnics, parties, gardening, and reminiscence. We will include lots of photographs because it is lovely for you to see the fun, as well as the hardwork!

So now to tell you about our Meadowcare Queen's Jubilee. Our inspiration came from London's Flower Jubilee exhibition. We then threw a big bash, long table, flags, buntings, champagnes, strawberries and cream, Victoria Sponge cakes.

The highlight you will see in photos was Her Majesty herself visited. *Oh my!* It was thrilling to see every face in the building light up as the Queen shook hands with each and everyone. Fabulous Fun! We did notice that the Queen was in fine form as she wore her dress above the knee on the day.

Our future plans for the rest of June are a big seaside memory Lane Trip, buckets and Spades, Cossie's on, ice cream Van Mr. Whippy too.

Watch this space for a musical play "*I'm Getting Married in the Morning, Ding Dong*".
