## AUGUST 2022 NEWSLETTER

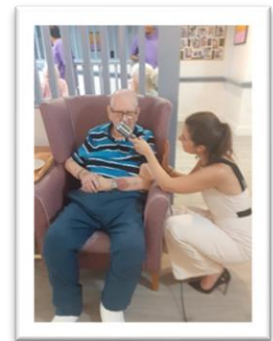

*Greetings from Meadowcare!*

Our heatwave continues this month. You will see from some of our 'pics' that although we did not go to the beach, we brought the sand, the water, the paddling pools, Sandcastles and we brought the beach to Meadowcare and we had a 'hoot'.

We buried our feet, we bathed in bubbles and flowers and it was truly an event. There was also a lot of 'footsie' going on!

Our resident singer, *Shannon*, has been singing up a storm and has invited us to her upcoming gigs. Thank you Shannon, we just want you to come back to us in a week or two and we will be happy.

***We would like to welcome Alf, Tony, Chris, Michael, Shiraz, Kevin & Sidney. It's good to get to know you!***

Our birthday wishes this month are extended to  
*Mohammad (Agi), Joyce, George and Sidney!*

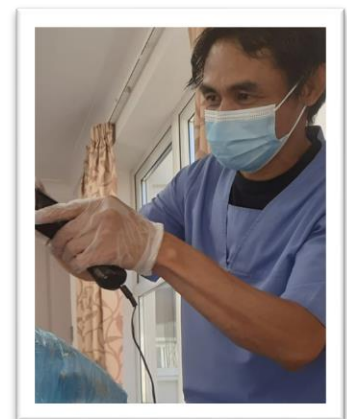

This month we have planned a cookery and baking session with the help from our fantastic Chef. Watch this space!

We have also picked blackberries and plan to make jam or blackberry soup! Should be fun!

The Employee of the Month goes to *Ricky!* He has been our Master Barber! He checks residents who needed haircuts and a shave! He treats residents with pampering sessions and ensuring that our residents are looking 10 years younger 😊 His jolly disposition keeps the environment light and cheerful!
