

## SEPTEMBER 2022 NEWSLETTER

*Welcome to All!*

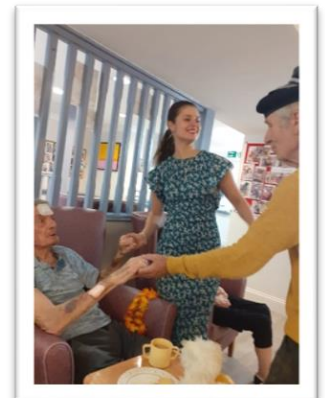

We hope you had a good Summer. We certainly did here. First of all, we want to acknowledge how lucky we are to have such dedicated people supporting our Meadowcare Team. We cannot thank you enough. *Geraldine, Derek*, our passionate

volunteers and also *Frances*, our Chiropodist (Foot Fairy!) who joins in all our activities and supplies us with wonderful art resources.

So far this month, we have had our 'Meadowcare Voice' here, *Shannon* and we have all been on the dance floor, check out the 'pic'.

As Autumn is approaching, we are running sessions with Autumn colours, using leaves, conkers, hat making and getting creative.

## ***Hot off the press news.....***

our sensory and aromatherapy big bash was fantastic! We had ceiling projections, fibre optics, butterflies, bubble lamps, and music. This includes everyone and their individual needs.

## **Future plans here:**

We will be running more Forums where Resident's ideas lead the way. We also want to do larger cooking/ baking groups. We are all enjoying this, making Tiramisu, Pavlova, Rhubarb pies but they don't last long!

## **Employee Spotlight!**

### ***Yahoo! Congratulations to our Yellow ladies, Val and Iwona!***

For showing extreme dedication in delivering highly creative, sensitive and person-centred approach activities for our residents. You are both proactive and imaginative in creating sessions which was all about the residents' interests. Thank you for all the smiles and hardwork!

## **Addition to the Family!**
