OCTOBER 2022 NEWSLETTER

Hello All! (Family and Friends of Meadowcare).

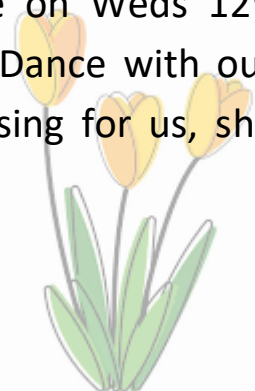

Everyday is different here and we have moved on from Autumn creative activities to a wonderful miniature world. Staff, friends and family all brought items from doll houses to miniature tea cups. It was a sight to see and like Alladin's Cave in miniature! We all loved it. Look out for the pics!

Talking recently to some families, we realise how busy all our lives are. Families are doing their very best, and also trying to care for others outside of Meadowcare as we appreciate this.

So, what have we got going on here on Weds 12th October, we have our Afternoon Tea Dance with our visiting singer. Shannon, doesn't just sing for us, she gives her heart to our lovely people.

Where caring matters

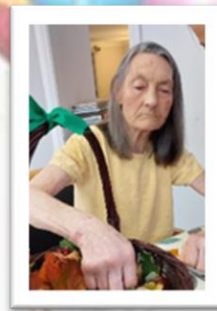

Activities have been running a host of sessions from Meanings and Origins of our names, to sensory herbs/spices, Egyptian life, and even some belly dancing. We don't take ourselves too seriously as happiness, fun and belongings is our main aim.

We had a lovely surprise delivered from our local Westbury Church. Thank you so much for our beautiful Azalea Plants.

Celebration Corner:

Happy birthday to, **Michael, Gillian, and Margaret!**

Congratulations to our Pre-Registered Nurse, **Carolyn!** For obtaining her UK nursing registration. We can't wait to see you wearing the blue uniform!

Addition to the Family!

Welcome to our new residents, **Maureen** and **Elizabeth!** We would love to know more about you.
