NOVEMBER Newsletter 2023

Greetings to all friends and families of Meadowcare!

Hoping this finds you well.

We rang in November with our **Harvest Festival**. We filled baskets and tables with Autumnal berries and fruits and a huge array of coloured leaves and pumpkins. It was a gorgeous sight for the senses.

Another very colourful themed event we held was our **Remembrance Day**. The week leading up we research picture, books and the history behind *'the Poppy'*. We had some great discussion aided by Central Library scrapbooks including Ration Books, stories and even old cigarette boxes! You will see from the photos that we used our crafting skills to make poppies and *Ruby* supplied some glitter poppies for extra glamour. Thanks *Ruby*!

Residents here suggested having a meeting about 'all things Meadowcare'. What a meeting we had!

Everyone gathered around, all speaking out, so many suggestions. The bottom line – the ice cream is very good, the cuppas on tap, a very big kick.

But, they said '*we want more volunteers*'. Do we know anyone who can spare an hour or two to join us?

You will also see many photos of '*artsy*' sessions. These can be very successful as the focus is geared away from vocal communication and instead, we communicate creatively. We love these sessions.

So, it's that time of year for party season and we would like to extend an invitation to you to our **Residents' Christmas party** on **Tuesday, 12th December** from **2pm to 4:30pm**. Shannon, The Voice, will be singing from 2pm. Please R.S.V.P.
