

The month of September has crept up on us very quickly here at *Meadowcare family*. We use the word 'family' with purpose because we share so much and all under the roof of numbers 2 and 3! We are small and homely enough to know *'the details'*. Details that matter to the people living here and to the families who care so much.

Yes, the care plan is vital, and heart and love are the plus one!

So what has been going on at numbers 2 and 3 Belvedere Road? Well, our entertainment duo *Geoff and Pete* have been stars. We all joined in with harmonicas, maraccas, drums, and the odd blow up trumpet! Great fun for sure.

As Autumn approaches, our seasonal activities evolve. The colours and themes are changing to harvest fruits and autumn leaves. Within that theme, we have incorporated *beautiful art, leaf printing, poetry and song*.

Watch this space for the ubiquitous trolley!

You will see some photos of a good *Marsalla* wine being tasted by *David, Elizabeth, Margaret* and *Anne-Marie*, and passed with flying colours for our 'delish' desserts. *Not bad eh!*

And we have been out and about on *the Downs* for picnics and games and meeting some neighbours and friends. It's been a joy.

Alive Charity have gathered the hops and said their goodbyes for this year. Many thanks!
