

Hello Families & Friends of Meadowcare. We hope to find you well!

All of us here are doing pretty good. We always find something interesting to do, something to discover, and together is more fun!

October activities has been a flourish of pumpkins, forest animals,, pinecones and Ivy leaves. (Bringing the outside in)

We have loved creating some fabulous trees which we displayed downstairs, come and take a look.

We can safely say that we have well and truly dropped the autumn anchor into our leafy Meadowcare ground!

Our friend of Meadowcare, Gary, has run some creative art sessions which has resulted in some fun caricatures of people you may recognise. We simply had the best time. Thank you Gary and David who posed beautifully.

What else have we been up to! We started a beauty session with pink and blue hair and the result was, we opened a pop up shop!

We had dresses
handbags and jewellery
galore.

It was simply an Aladdin's
cave of sensory engagement.

More pop-ups to come and
we welcome ideas, whatever
they may be!

BIRTHDAY CORNER

We have celebrated birthdays with Chef's homemade cakes.

**Congratulations to Christine,
Kathleen (Kit) & Gillian!**
