

February 2025 Newsletter

Spring is in the air at Meadowcare and we are feeling so much brighter as the season emerges and the daffodils are here again.

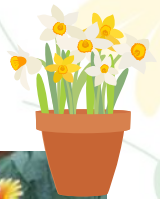

Our **Chinese New Year** was a blast.

Lanterns were lit, **Chef Jerry**, made the best spring rolls, and noodles. **Tony's** wife, **Dot**, made a special trip to ensure that we had a neverending supply of fortune cookies. Thank you so much special lady. Check out these pics!

During this month, we ran so many sessions all involving daffodils and more... art and crafts, fun facts and always together living life in the fast lane.

What else have we done this month, need you ask!

Valentine's coming together, sharing chocolates and tales of romance and intrigue and stories of kissing many frogs to find our prince.

Something else we would like to share - Gary's quizzes are going down a storm, all due to his wonderful enthusiasm and warmth. He has a genuine connection with all here.

To wrap up our news for this month, we had students visit from Bristol Uni who ran a super session on flower power crafts. Thanks guys.

Wishing all the best to our yellow chick, Val!

And we're excited for the times you'll return to brighten our days.

Until we meet again!

No goodbyes, just see you later!
