

# ***APRIL NEWSLETTER 2025***

***Hello to All Friends and Family of Meadowcare...***

We rang in the month of April with the theme of Butterflies and Blossom.

Hats and Headdresses adorned with butterflies – well it's a “Feel Good” isn't it! We also like a bit of seriousness, and we discussed the lifecycle of the butterfly. This brought about a wonderful conversation and philosophical thoughts. It would make a wonderful film to capture this.

Shannon, our Songbird, visited with a wonderful array of Vera Lynn songs and a celebration of St. George's Day and music related to songs from yesteryear.

We you are enjoying photographs of Easter Celebrations, Easter Bonnets, tree decorations, Easter Eggs and our Hot Cross Bunny, Iwona, doing what she does best, which is her best for each and everyone here.

Happy  
Easter

With the good weather and only seconds away from The Downs, we have been out and about walking and enjoying watching the world go by. We sometimes join in with our sister home, Glenview, and all get together.

Lastly, we are partnering up with Bristol Scrap store, a local charity, whereby they will assist us to run arts and Creative Crafts Sessions. It is always a positive for us all here. New ideas, new sessions. Well, yes, we are delighted. More of it we feel.

Craft

*April birthday celebrant is our lovely  
Tony. Birthday wishes extended to  
you.*
