

Hello to all, Families and Friends!

We are all very excited about the bright skies and warmer weather, and we've been sure to make the most of it by enjoying plenty of time in our garden or exploring nature on the Downs

So, March began with pancake day. We enjoyed making and decorating them with fruits and golden syrup and cream. We also managed to run our own Meadowcare Pancake Flipping Challenge. Everyone thoroughly enjoyed themselves

Spring is here and what better way to celebrate the vibrant season than with Tulips Themed Session including sensory activities, poems and art & craft entertainments where we dived into the beauty of tulips through artistic expression.

Newsletter March 2025

We had a celebration of St. Patrick's Day session too! It was a fantastic opportunity to come together, celebrate Irish culture & enjoy some festive activities. From lively discussions about St. Patrick's Day traditions to fun games, shamrock, painting and tasting traditional Irish snacks, we all got to immerse ourselves in the spirit of the holiday

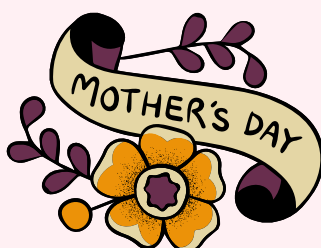

ST. PATRICK'S DAY

Shannon our beautiful singer involved in our St. Patrick's celebration as well. She spoiled us with so many Irish songs and impressed everyone with with her Irish dancing skill too! We all adore her.

We hope everyone enjoyed our special Mother's Day Tea Party and Poetry Morning. It was a wonderful occasion to honour and celebrate the incredible mothers and mother figures in our lives. The touching stories and heartfelt messages shared made the day extra special and meaning full. *mama* 

You will also see many photos including our spring “*artsy*” sessions, fun games and exercise and poetry mornings.

Birthday celebrations shoutout to ***Ruby, Elizabeth, Anne & Angela!***

Happy Birthday
