

Hello again to all you kind readers and friends.

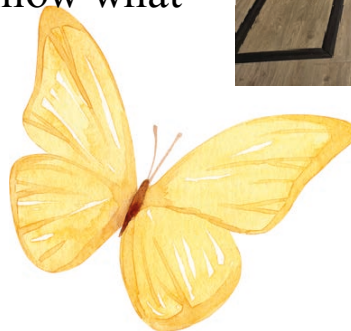

We really hope that this newsletter and picture board gives you a sense of 'our place' and us here at Meadowcare. The place where, daily, the housekeepers and laundry person are early to rise. The caring staff team are busy looking after every aspect of care for our lovely people living here. The place where activity staff are always looking for ideas to make connections to build on relationships with each and every resident and not forgetting the chefs and assistants cooking up a storm. This is 'our place'.

To all our visitors (and I doubt you have missed it), you will have met the decorators and the handymen creating a bright new look here and we hope you all like the end result. Let us know what you think!

What wellbeing aspects have we all been involved in.

We partnered up with Bristol Scrapstore and had a real laugh at a games session and a super art for all session. Ben from Scrapstore was a hit here and particularly for his No.1 Buzz cut hairstyle. We had great fun. It is so heartwarming when visitors/outside agencies make real connections with us. Thank you so much Bristol Scrapstore. Check out the Pics!

You will see from the photographs that we have got into the swing of crazy golf, we have dived into nature sessions, and one-to-one time out and about. We have played card games, done personal grooming, and lots of discussion on the history of VE Day eighty years on. We always do everything better when our volunteers join and they join in so much. We are so grateful for their kindness.

“The purpose of life is not to be happy. It is to be useful, to be honourable, to be compassionate, to have it make some difference that you have lived and lived well.”– Ralph Waldo Emerson
