

Hello again to families and friends.

We sure are going through a hot spell umbrellas are up in the garden, fans whirring and ice-cream has been a godsend.

The 'Aloha' trolley has been decked out with cool drinks and Mr Whippy cones. By the time we set off on the ground floor and around the building, everyone is ready for round two!

Do we do the same activities all the time? No way!
The activity team is expanding and we would like to introduce you to Tim, our new coordinator.

Welcome Tim, he has already introduced the group to space travel

We would love you to take a look at what has been going on here lately. Johnny, our singer, is full of joy and genuinely loves coming here. Long may it continue.

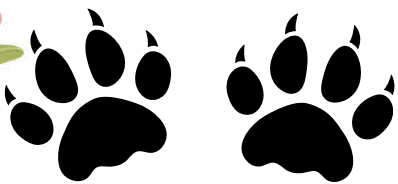

We have also had an unusual visitor who came to tea at Meadowcare Home. Yes, the tiger came to tea!

He was welcomed and his great big paws caused a stir. The problem now is we have not got an available bedroom to accommodate him! He's on the waiting list.

Our creative sessions are very inclusive. We had beautiful purple lavender fields & pink cherry blossom trees.

We covered flower power of the 60's with Twiggy and Mary Quant.

It is always a good focus and the seaside theme anchors all of us to the Summer season. Hydration is so important and watermelon and fruits go down well here!

We have played crazy games Pass the Pigs, Skittles. was a hoot!

We have had a number of June birthdays this month. Our lovely Dora, Edna, Pat & Lorraine have all celebrated with style.

HAPPY
Birthday!
