

Hello to all our families and friends!

Our Meadowcare family were treated to a delightful Easter celebration! Our lovely volunteers ran an uplifting service filled with music, chatter, and the true meaning of Easter. Our Easter bunnies Iwona and Tim hopped into our hearts with floppy ears, chocolate egg hunts and Happy Easter wishes. Jenny and Tony couldn't get enough of the egg-citement!

At Meadowcare Easter is celebrated with creativity, spending time with loved ones, and embracing the joy of spring. So, why not paint vibrant eggs like *Iris* and make stunning bonnets like *Ray!*

Being outside brings us so much positive energy, happiness and vitamin D of course! *Maria, Bill & Christine* love spring walks, garden time and birdwatching in beautiful nature.

Our Meadowcare family had the privilege of enjoying two April concerts! We welcomed our new performer, flautist *Oli Cavadino* and his beautiful classical music! We also love to dance and sing with our Meadowcare star *Johnny*. So, whether you're in the mood for soothing classical elegance like *Anne* or toe-tapping rock and roll like *Fran*, everyone had great fun!

Our Meadowcare book club and St. George's Day celebration taught us that the best stories take you on an adventure. *Anne* loved the tale of the dragon, *Bob* adored his sports picture book, *Elizabeth* read classic literature, *Betty* indulged in family photo albums, and *Maryam* focused on her homeland!
