

## Hello to all our families and friends!

With meaningful letters, homemade cupcakes and hearts crafts, our Meadowcare family celebrated a wonderful Valentine's Day! Fran had her thoughts set on that special someone, Betty on family, and Beryl had a delightfully sweet and sentimental day.

Valentine's Day

Have you ever gazed at a gorgeous flower bouquet and wished you could make one? Well, our valentine-themed flower arranging activity provided the perfect opportunity to blossom! Bill had a blast unleashing his inner florist!

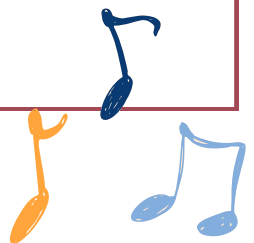

Our spring flowers art session opened up a world of vibrant colors and beautiful blooms while reminiscing and discussing the first signs of Spring in nature. Ruby's spark for creativity warms the heart!

Horse painting with catchy horse tunes made us want to gallop through the meadows! Margaret and Anna love to capture the grace and power of a horse on canvas. Anne and Maggie are proud horse owners and adore the beauty of these majestic creatures.

Our Meadowcare family enjoyed a big party with guitar legends Pete and Geoff! The dynamic duo gave us classic riffs and rhythms that got Iwona twirling, Elizabeth belting out lyrics, and Beryl playing joyful beats!

Our Meadowcare family are always ready for fun, laughter and a bit of friendly competition. Kevin climbed to the heights in Snakes & Ladders and Betty and Gary make an unstoppable Scrabble duo!

At Meadowcare we love to flex the brain with an epic Puzzle Competition! Whether you're a seasoned puzzler like Kenneth or just love a good challenge it was a great time filled with laughter, teamwork, and fun. Even our chef joint in!

Balloon Badminton is always a great opportunity to let loose, get creative, and spend quality time with friends and family. Anne is a whiz with those epic rallies and Maryam's hand-eye coordination is fantastic!

Pastor Shibu and the worship team from Mount Church returned for a heartfelt morning service - this time with Glenview people joining in! It was such a blessing to sing hymns, read scriptures, pray and engage in fellowship. Ted's enthusiasm lifted everyone's spirits!
