

Hello to all, Families and Friends!

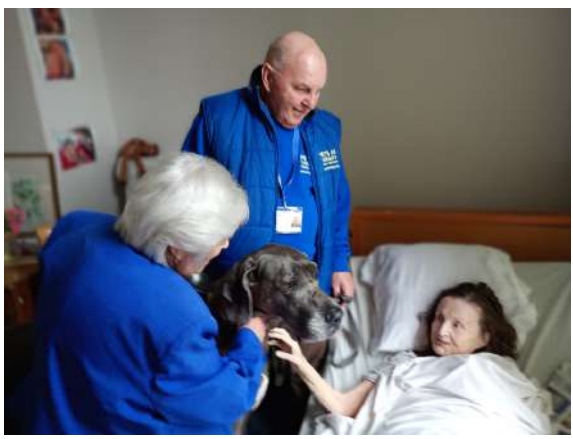

Our first Happy Day's Café event was a joyful success! Neighbours, visitors and volunteers were invited to join us for a fun afternoon filled with music, baked goods, and lively conversation. It was a great opportunity to build understanding of dementia and connect with the community. Special thanks to Tony and Becky for helping organise the event, our chefs for preparing the delicious food, and our entertainers Geoff & Graham for the nostalgic tunes!

Fran led us in clapping and cheer in our Meadowcare church service.

Our singer Johnny strummed our favourite tunes and Jenny lit up the room with her twirls!

Happy Birthday
